

BIOBANK

SUPPLY OF HUMAN SAMPLES FROM THE BIOBANK

According to Royal Decree RD1716/2011 which establishes the basic requirements for authorization and operation of biobanks: "Biobank activity does not conceive aim of profit. However, the biobank may include in the supply of each sample the costs of obtaining, processing, maintenance, ... and other expenses of similar nature related to the samples." In the same way, the samples will be supplied only for projects previously approved by an Ethics Committee. Please contact us at biobanc@idibaps.org for further information regarding sample request.
