

EIT Health support through the innovation process

Next 11 November 2024, IDIBAPS will host an EIT Health infoday to disseminate its funding opportunities and resources towards the acceleration of innovative ideas. At the event, Izabel Alfany, Managing Director of EIT Health Spain, will summarize the main opportunities offered by EIT Health for academic entities, industry or SMEs. At the end, recognised innovators will share their stories and discuss key success factors and pitfalls to avoid.

It is necessary to fill this **registration form** for all attendants before 15/10/2024. This event is organized by IDIBAPS, the EIT Health Spain, la Fundació BioRegió de Catalunya (Biocat) and the Agency for Management of University and Research Grants (AGAUR).
