Grifols Chair Symposium

TRANSLATING SCIENCE INTO THE CLINIC

Esteve Auditorium, CEK building
Wednesday, 26 March 2025
Barcelona, Spain

Organized jointly by

14.30 **Registration**

Opening Ceremony

15.00 **Welcome and opening remarks**

15.05 **The EF CLIF view on translational research**
Richard Moreau, Director, EF CLIF, Barcelona, Spain

15.15 **Introduction to the Grifols Chair and the ENTR-CLIF**
Joan Clària, Director of the Grifols Chair, EF CLIF, Barcelona, Spain
Hospital Clínic de Barcelona-IDIBAPS, Barcelona, Spain

Session 1: New paradigms in B cell dysfunction and resolution of inflammation Chair: Manuel Morales-Ruiz, Hospital Clínic de Barcelona-IDIBAPS, Barcelona, Spain

15.25 **New insights into mucosal B cell responses**
Andrea Cerutti, ICREA and Hospital del Mar Research Institute, Barcelona, Spain

15.50 **New advances in the resolution of inflammation**
Nan Chiang, Brigham and Women's Hospital, Harvard University, Boston, MA, USA

16.15 **Coffee break**

Session 2: Advances and trends in omics technologies Chair: Ramon Bataller, Hospital Clínic de Barcelona-IDIBAPS, Barcelona, Spain

16.45 **New frontiers in single-cell and spatial transcriptomics**
Anna Pascual-Reguant, CNAG, Barcelona, Spain

17.10 **New frontiers in metabolomics**
Jose Maria Mato, CIC bioGUNE, Derio, Spain

Session 3: Translating research to therapeutics Chair: Josep Maria Llovet, IDIBAPS, Barcelona and Icahn School of Medicine at Mount Sinai, New York, NY, USA

17.35 **Lessons I have learned on my scientific journey**
Bart Staels, University of Lille, Institut Pasteur de Lille, CHU Lille, Inserm U1011-EGID, Lille, France
Co-founder of GENFIT, Lille, France

18.00 **Novel plasma-derived therapies**
Montserrat Costa, Grifols, Barcelona, Spain

Closing remarks
